INDEPENDENT REVIEW REPORT TO SHAREHOLDERS

Introduction

We have reviewed the accompanying Statement of Condensed Interim Financial Position of New Kabul Bank ("the Bank") as of September 30, 2018, and the related Statement of Condensed Interim Comprehensive Income, Statement of Condensed Interim Changes in Equity and Statement of Condensed Interim Cash Flows for the nine months ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with International Financial Reporting Standards (IFRSs), the requirements of the Law of Banking in Afghanistan and directives issued by the Da Afghanistan Bank (DAB). Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standards on Review Engagements (ISRE) 2410, which applies to review the historic financial information performed by the independent auditor of the entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that cause to believe that accompanying interim financial information does not give a true and fair view of the condensed interim financial position of the Bank as at September 30, 2018 and of its financial performance and its condensed interim cash flows for the nine months then ended in accordance with International Financial Reporting Standards (IFRSs), the requirements of the Law of Banking in Afghanistan and directives issued by Da Afghanistan Bank (DAB) rules and regulations.

Emphasis of Matter

i. We draw attention to Note 11.1, where it is stated that, Bank is owned by Ministry of Finance (MoF) and was established as a bridge entity to take over operations of Kabul Bank with an objective of ultimate selling it to a new investor or continue the operations as deemed appropriate by MoF. The Supreme Council of Da Afghanistan Bank (DAB) in its meeting held on March 15, 2011 has granted forbearance to the bank for regulatory requirement related to the size and structure of its capital.

However, during the year, 2017, Bank's total equity reached over 1 billion AFN and Bank transferred AFN 1 Billion from "Reserve from MoF" to "Share Capital". The Bank has initiated the process of amendments in Article of Association, however the process is not yet completed. Our conclusion is not qualified in this respect.

11.1 The bank is owned by Ministry of Finance (MoF) which has acquired its ownership through the process of splitting Kabul Bank. As the bank has been established as a bridge entity to take over operations of Kabul Bank with an objective of ultimate selling it to a new investor or continue the operations as deemed appropriate by MoF. Therefore Supreme Council of Da Afghanistan Bank (DAB) in its meeting held on March 15, 2011 has granted forbearance to the bank for regulatory requirement related to the size and structure of its capital. However, MoF had injected funds amounting to USD 106 million (AFN 7.048 billion) for the settlement of Kabul Bank Receivership receivable and issuance of share capital.

The net equity after adjustment of Kabul Bank Receivership receivable was below AFN 1 billion (Minimum amount for share capital) due to losses incurred by New Kabul Bank in previous years therefore it was directed by the shareholder i.e. MoF to fund the remaining equity out of the profits of the bank. In August 2017 after crossing the One billion in overall equity due to interim profits and on instructions of Financial Supervision Department of Da Afghanistan Bank, bank had transferred AFN One billion to Share Capital - Ministry of Finance. Matter has been officially corresponded with Financial supervision department (FSD) through letter No. 3385/1596 dated 16/05/1396 (August 07, 2017). Management has initiated the process of making relevant changes in Articles of Association and approached licensing department of Da Afghanistan Bank to seek necessary amendments as per rules and regulations of the Da Afghanistan Bank. However, the process is not yet completed.
