Introduction

We have reviewed the accompanying Statement of Condensed Interim Financial Position of New Kabul Bank ("the bank") as of March 31, 2017, and the related Statement of Condensed Interim Comprehensive Income, Statement of Condensed Interim Changes in Equity and Statement of Condensed Interim Cash Flows for the three-month period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with International Financial Reporting Standards (IFRSs), the requirements of the Law of Banking in Afghanistan and directives issued by the Da Afghanistan Bank (DAB). Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standards on Review Engagements (ISRE) 2410, which applies to review the historic financial information performed by the independent auditor of the entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that cause to believe that accompanying interim financial information does not give a true and fair view of the condensed interim financial position of the bank as at March 31, 2017 and of its financial performance and its condensed interim cash flows for the three month period than ended in accordance with International Financial Reporting Standards (IFRSs), the requirements of the Law of Banking in Afghanistan and directives issued by Da Afghanistan Bank (DAB) rules and regulations.
